## **FOR IMMEDIATE RELEASE**

### **Revenue Management Solutions, LLC Receives EHNAC Financial Services Accreditation**

*Accreditation ensures compliance with industry-established standards  
for processing payments and other financial transactions*

Oklahoma City, OK– July 28, 2009 – Revenue Management Solutions, LLC, (RMS), a leading provider for revenue cycle management solutions for the healthcare industry, announces today it has achieved full accreditation with the Financial Services Accreditation Program (FSAP) – Electronic Health Network (EHN) from the Electronic Healthcare Network Accreditation Commission (EHNAC). EHNAC FSAP-EHN accreditation demonstrates that the organization meets a high standard of quality in handling protected health information as well as ensuring that it follows industry-established criteria for processing payments and other financial transactions.

Through the consultative review process, EHNAC evaluated Revenue Management Solutions, LLC against financial and banking criteria to ensure customers that the organization follows HIPAA security and privacy rules. The rigorous accreditation process demonstrates adherence to strict standards and participation in the comprehensive, objective evaluation of the organization's business.

"EHNAC FSAP accreditation is only the latest example of our continuing efforts to improve our overall quality and customer satisfaction by obtaining the proper accreditations offered by objective, credible third parties. This accreditation specifically addresses the concerns of our customers related to privacy and security of healthcare data," said Tom Dean CEO of RMS."

"RMS provides comprehensive, scalable solutions for advancing electronic healthcare. We offer providers electronic solutions that lower costs of processing EOB/ERA reconciliation and exceptions, trim AR days, and improve free cash flow. For banks, the electronic lockbox solutions enhance value for their provider deposit customers. For health plans, the electronic solutions lower costs of issuing paper EOB remittances and of provider follow-up on exceptions. Revenue Management Solutions, LLC is a leader in medical remittance management and our team includes many of the nation's leading experts in the field."

"With EHNAC FSAP-EHN accreditation, RMS establishes an additional level of credibility in the industry for secure data processing and HIPAA compliance," says Lee Barrett, executive director of EHNAC. "Customers are concerned with the quality and security of the organizations with which they work, and RMS, LLC can assure its business partners that it has met the extensive HIPAA security and privacy regulations, as well as the EHNAC criteria specific to financial electronic health networks. We congratulate Revenue Management Solutions, LLC on this outstanding accomplishment."

#### **About RMS**

Revenue Management Solutions, LLC is headquartered in Oklahoma City, Oklahoma. Founded in 2006 with the majority of its investors based in Lafayette, Louisiana, RMS has developed and commercialized a proprietary streamlined, end-to-end approach to processing healthcare receivables, which aims to stem rising administrative costs in healthcare. **About EHNAC**

The Electronic Healthcare Network Accreditation Commission (EHNAC) is a voluntary, self-governing standards development organization established to develop standard criteria and accredit organizations that electronically exchange healthcare data. These entities include electronic health networks, payers, financial services firms, and e-Prescribing and other solution providers.

EHNAC was founded in 1993 and is a tax-exempt 501(c)(6) nonprofit organization. Guided by peer evaluation, the EHNAC accreditation process promotes quality service, innovation, cooperation and open competition in healthcare. To learn more, visit [www.ehnac.org](http://www.ehnac.org) or contact [info@ehnac.org](mailto:info@ehnac.org).
